A Message from our President

To our sponsors,

Thank you for considering sponsorship with the **Maryland Hispanic Chamber of Commerce (MDHCC)**. On behalf of the Board of Directors, we warmly welcome you and your company. As President/CEO, I'm honored to lead an organization driven by a mission to enhance the lives of all Marylanders through collaboration and economic growth.

At MDHCC, we are committed to achieving strategic goals that strengthen Maryland's economy by fostering productive relationships between our sponsors and members. We deeply value our sponsors and strive to provide strong returns on investment by increasing brand recognition, broadening customer reach, enhancing visibility, and building brand loyalty.

We take time to understand each sponsor's unique goals, customizing packages that align with their vision and purpose. Through networking events and strategic engagement, we connect sponsors with members—who represent potential customers and vendors—while offering insights into the Hispanic/Latino market's purchasing power and trends. These engagements help refine customer profiles, generate leads, and create sales opportunities. Our digital platforms and marketing efforts further boost visibility and open avenues for business growth.

MDHCC hosts a range of events throughout the year, offering sponsors meaningful promotional and networking opportunities. Signature events include the Annual Gala, celebrating rising stars and key supporters; the Scholarship Golf Event, supporting Hispanic/Latino students; the Legislative Reception, connecting members with elected officials; and several Multi-Chamber events. We also host industry-focused summits on energy, infrastructure and transportation, health, and real estate and development, offering access to public and private sector opportunities.

Monthly BAM (Business Advocacy & Mentorship) sessions offer entrepreneurship training, where many of our sponsors actively contribute to these programs as speakers, trainers, or mentors. Our events are hosted throughout different regions of our State and on-line.

We invite and encourage your participation. Your support is essential to advancing our mission. ¡Bienvenidos a nuestra familia!
